## GONE TO REST.

The Long Suffering of Judson M. Waugh Relieved by Death.

The End Came Peacefully at 7:10 o'clock this morning. Funeral service to be held from the Baptist Church, Saturday—Remains will be taken to Oberlin.

Judson M. Waugh, whose sufferings for the past eleven weeks from a cancer of the stomach, were borne with patience and uncomplaining resignation, died at his quiet residence, 687 West Market street, at 7:10 o'clock this morning. The end came peacefully and quietly.

Mr. Waugh was taken seriously ill last October, and for the past few weeks both he and his beloved family realized that there was no hope for an end to the intense physical suffering he endured, except in death. The end was not unexpected and when it came he was prepared.

Mr. Waugh had been sinking gradually for the past few days, growing weaker each day, and when the end came he seemed to drift peacefully into a deep slumber. His family were at his bedside and his last words were of comfort and encouragement for the beloved ones from whom he realized he soon must part.

The deceased was 43 years of age. June 25th last, his birth having occurred at Henrietta, Ohio, on that day in the year 1852. He was married to Miss Ella C. Halbrook, at Cleveland on May 15, 1877. After their marriage Mr. and Mrs. Waugh resided at Oberlin, O., until April, 1890, when they removed to this city. Immediately upon his arrival here Mr. Waugh purchased from W. L. West the retail shoe establishment at 31 Public Square, and the place is still conducted in his name. He was a successful business man, honorable, courteous and liberal, and all who had business transactions with him remember them as being pleasant in social life he was the same, always of the same even temper, cheerful and friendly toward all.

In the Baptist church he was one of the most earnest workers; a deacon of the church and assistant superintendent of the Sunday School. The pastor of the church, together with the congregation, realize in his death the loss of one of the most devoted workers in their religious denomination and an esteemed friend. He did not confine his work for the cause of Christianity to the church of his choice, but was also a prominent promoter of the Young Men's Christian League, a member of the board of directors of the local association, always foremost in the discharge of a religious or social duty. In secret society circles he was a member of the I. O. O. F. and Knights of the Maccabees.

The deceased leaves a widow, a daughter aged sixteen years and a son aged fourteen years, who he could not have been more kind and loving. His aged father and step mother, Mr. and Mrs. C. M. Waugh, still reside at Henrietta, the place of his birth and the homestead where his mother died when he was an infant. A brother, Maxwell Waugh, of Vermilion, also survives him.

At 10 o'clock Saturday morning a funeral service will be held at the Baptist church, the cortege to leave the residence at 9:30 o'clock. The pastor, Rev. Morse, will conduct the service, assisted by Rev. Rose, of Mt. Vernon, who was formerly pastor of the Baptist church in Oberlin, where the deceased was a member before coming to this city. The board of directors of the local Y. M. C. A. will attend in a body. Messrs. Dwight Ginter, Frank Thomas, Mark Elliott, Harvey Unkleholtz, Della Engle and Mott Day, who were members of Mr. Waugh's Sunday School class, will officiate as pallbearers. Music will be rendered by a double quartette selected from the church choir.

The remains will be retained at the church until 1:30 o'clock Saturday afternoon, when they will be removed to the C. H. & D. depot and taken to Oberlin, O., leaving here at 1:50 o'clock. The funeral services at Oberlin will be held from the Baptist church in that city, Sunday, and the remains will be interred in the Oberlin cemetery.

Buried This Morning.

The funeral services of Martin Kline, of Greenlawn avenue, took place this morning at 8:30 o'clock from St. Rose church, with high mass of requiem, Rev. L. A. Brady officiating. Those in attendance from out of the city were his brother, Philip Kline, his daughter, Mrs. Jap Kline, and his son, Mr. Quinn and daughter, Miss Lizzie, of Ada, Miss Ella Quinn, of Cleveland. Interment was made in the Catholic cemetery.

From Sixty-Five.

The garret of the residence of W. Clements, at 1232 West Elm street, caught fire from an over heated chimney this morning about 10:20 o'clock and the Central department was called out by an alarm from box 65. The blaze was extinguished with water carried in buckets. The damage was slight.

Mr. W. H. Langen, of Chicago, is here with the finest line of fur and cloth jackets and capes ever shown in Lima, and will sell them at less than half price. Sales commence Thursday, Jan. 16th. They will be on display at

Mrs. P. Leitch's, 134 N. Main.

Not the Blood.

"If I am killed," exclaimed the bird tragically, "my blood will be upon your head."

But the woman laughed scornfully. "I should say not," she rejoined. "She was willing to admit that the fowl's wings and tail feathers would be upon her head, but it was perfectly absurd to talk about blood."—Detroit Tribune.

## STREET TALK.

Col. S. R. Mott, the oldest member of the Anglice county bar and well known in this city, died at his home in St. Marys last evening. The funeral services will be held at St. Marys to-morrow afternoon at 2 o'clock, and will be conducted by the Messons, of which order deceased was a veteran member.

George Renner dropped into town yesterday, after an absence of five or six years, and was warmly received by his old friends and acquaintances. Mr. Renner is a resident of Chicago, and until the first of the year traveled for a firm in that city. He is now with a Cleveland house and back on his old territory.

Foreman Ed Krahe, with six helpers, was busy today shoving the telephone poles and putting them in readiness for erection, and before many more weeks roll around we will be hallooing to each other over the copper wire. G. W. Beers and Louis Ohnhaus are in Lima this afternoon, and expect to organize the Delphos company, to be known as the Delphos Electric Light and Power company, provided all the interested incorporators are present.—Delphos Herald.

Senator Calvin S. Brice and T. W. Dobbins have been elected delegates from Mart Armstrong Post, G. A. R., to the department encampment, which will meet in Columbus.

S. B. Kelley, the well known traveling salesman for the National Cash Register company, is in the city for the first time for several months. He has been confined to his bed for several weeks from typhoid fever. Mr. Kelley had a very serious attack and was near death's door for many days, but good care and attention brought him out all right, and, although he is not yet his former self, he is gaining flesh and strength rapidly and will soon be O. K.

He has many friends here who have kept him busy all day receiving congratulations.

He has been out of his sick room only two weeks.

Will L. Flech, formerly on the Times-Democrat editorial staff, but who has been on the Cincinnati Commercial Gazette for several years, is a candidate for Inspector of Building and Loan Associations and has been endorsed by the Hamilton county delegation.

The Board of Directors of the Lima Telephone company held a meeting yesterday afternoon at which it was decided to purchase three thousand more feet of cable and another switch board which will increase the capacity of the exchange to four hundred telephones.

The additions to the exchange are needed and will be put in at once.

## THREE DEATHS.

In One Family in Less Than Two Weeks.

The Times-Democrat last week contained an account of the death of Mrs. John Evans, near Guion, and also the fact that her seventeen-year-old son died while the funeral was in progress, both passing away from typhoid fever.

The Delphos Herald contains the following regarding the death of another son.

Three other children, two boys and one girl, were also prostrated, and last night occurred another death. Clarence, 21 years old, after battling with the fever for weeks, gave up the struggle at the back of death. The funeral will be held to-morrow at 10 o'clock and interment will be in the Gomer cemetery.

The two remaining ones who are ill show marked signs of improvement, and the doctors hope for their recovery.

## COLUMBIA FACTS.

## Unanimous Choice.

The selections of the ten winners in the Columbia shoe contest, held in New York.

One of New York's leading newspapers, THE MORNING JOURNAL, recently offered ten bicycles to be selected from the principal manufacturers and given away as prizes to a guessing contest, the winners of which were to have the privilege of selecting the machine they most desired. Great interest was manifested in the contest, and when the lucky winners had been named they at once went to select their prizes.

Nine out of the ten chosen Columbus immediately, the tenth man hesitated, but after examining other machines selected a Columbus, and THE JOURNAL accordingly bought ten Columbus—paid One Hundred Dollars each for them without discount or rebate, and awarded them to the winners.

The superiority and popularity of Columbus bicycles has been evinced and proved time and time again, but this is one of the most remarkable and conclusive tests that it would seem possible to advance in illustrating the popular favor of Columbus, and is perhaps a more convincing argument than has been expressed in words.

Occurring as it did in New York, the most cosmopolitan city in the world, shows conclusively that Columbus bicycles are not only held in the highest possible esteem, but that they are the unanimous first choice of every one alike.

In a contest of this kind the winners could hardly be known to each other under any circumstances, and being necessarily picked out at random, they are unprejudiced; but having been fortunate to choose a winning number, they naturally wanted the best there was to be had, and took Columbus—one and all—because the Columbus are the standard of the world.

## MR. V.

Was Recognized as Another Man and a Married One at That.

A Celina Man Discovered in Visiting a Young Lady Under an Assumed Name—Exposure May Follow.

One day recently, a well-to-do business man of Celina, who is married and is said to bear a good reputation among his acquaintances in that city arrived here and, by a previous appointment met a prominent young lady who introduced him by the delicious name he had assumed, to a lady with whom she was visiting in South Lima. During the course of his visit the supposed-to-be-unmarried man was given a shock from which it is not likely that he will recover soon. A young lady who now lives in this city, but who formerly lived in Celina, happened to call at the house in question and was ushered into the parlor and introduced to Mr. V., of Celina. It happened that the young lady had known the Celina man for several years and knew that his name was not that by which he was introduced. The latter also recognized the young lady and turned red and pale by turns as came near meeting. However, the young lady spared him the humiliation of exposure at the time and left the room long enough for him to regain his composure and take his departure.

The young lady whom he had called to see also decided that she wished to visit other friends in the city and took her leave immediately.

The affair is gaining a great deal of circulation and may yet result in the exposure of the man from Celina.

## INSTALLED.

The New Officers of the G. A. R. and W. R. C. Last Evening.

The Occasion was a Very Enjoyable One for the Members and Their Friends—Several Nice Addresses and a Supper.

The annual installation of officers of Mart Armstrong Post G. A. R. and the W. R. C. took place in Memorial Hall last evening, there being a large crowd in attendance. The hall was handsomely decorated for the occasion, which was hugely enjoyed by all who were present.

Col. R. M. Moulton acted as installing officer, the following being the officers installed:

G. C. Vogel, commander; Henry Crum, senior vice commander; John Rossell, junior vice commander; Frank Malthe, chaplain; George Hall, sergeant; J. P. Rossell, officer of the day; Tom Malthe, officer of the guard; James Black, quartermaster; and W. Dobbins, adjutant.

The delegates to the Department Encampment are Calvin S. Brice and T. W. Dobbins.

The W. R. C. officers were installed by Mrs. Dr. Thrift, and were as follows:

President, Frances Prophet; senior vice president, Addie Rossell; junior vice president, Lucinda Sherman; secretary, Angelina Keller; treasurer, Anna Willower; chaplain, Allie Richter; conductor, Catharine Coates; guard, Biddie Smith; delegate, Angelina Keller, and alternate, Amanda Sullivan.

A violin solo by G. R. Crum delighted the audience, and J. M. Roberts, commander of the G. A. R. post at Mansfield, was present and made a nice address and was followed by Rev. R. J. Thomson, pastor of the West Market street Presbyterian church, who delivered an excellent address.

After the speechmaking had been completed, baked pork and beans, bread, butter and coffee were served in the Council chamber by the ladies of the W. R. C., the supper concluding the installation ceremonies.

## NEW BUILDINGS.

Discussed by the Board of Education Last Night.

Another Ward Building will be Among the Improvements to be Made—What Business the Board Transacted Last Night.

The regular meeting of the Board of Education was held last night, with Messrs. Jones, Prophet, Galareanu and Mrs. Vicary present.

Bills aggregating \$400 were audited and allowed, and the salaries for January were granted.

An application made by Theodore Cuskey was read, and upon motion was received and filed.

Messrs. Galareanu, Prophet and Supt. Miller, the committee that visited and inspected new school buildings in several Indiana cities, made an informal report, the substance of which appeared in the Times-Democrat several days ago.

A brief discussion was held relative to the proposed buildings here. The board is now unanimous in the opinion that a new ward building should be built in the south ward about midway between the present west building and the Lima College.

The present west building, although containing sixteen rooms including the annex, is overcrowded, and another building in the west part of the city would be a necessity within a few years.

It was decided that the proposed new west building should be larger than the present one. The members of the board who were present at the meeting thought the old west building should not be used again after this term of school, and think it advisable to complete as soon as possible the necessary arrangements preparatory to beginning the improvement.

The committee will leave again next week to visit new buildings in Toledo, Titus, Mansfield and Marion. The inspection will not be confined exclusively to the committee, but all members of the board who can will go.

The members and also the citizens seem to be taking a great interest in the proposed improvements, and it is reasonable to expect Lima to have some model school buildings within the near future.

## GOOD WORK.

Accomplished at Desherby Detective Geo. Peck, of this City.

Detective George Peck, of the C. H. & D., has just completed a good piece of work at Desherby, and as a result of his efforts three young men of that place will probably land in the penitentiary.

A few nights before Christmas, a car on the B. & O. at Desherby was broken into and some of the contents stolen. On Christmas eve a car on the C. H. & D. was broken open and a box of slot machines, a keg of whiskey, two hams and a lot of gin, water and fine cut tobacco stolen.

Detective Peck went to work on the case and a few days ago Henry Zimmerman, Joe Pratt and Robert Courtney, of Desherby, were bound over to the grand jury at Napoleon, on charges of grand larceny. On account of former experience with the authorities at Desherby, Mr. Peck refused to trust the cases to preliminary trials there, but took them to Napoleon, where he recently had another Desherby boy, indicted for placing obstructions upon the C. H. & D. track at the latter place.

Detective Peck also unearthed most of the stolen property which had been buried in sawdust at a saw mill.

## AMONG THE RAILROADS.

THE BRUCE LINE.

It seems that the Bruce people are not satisfied with what they have recently added to the L. E. & W. system and are projecting new lines. A dispatch from Springfield, Mo., says a large corps of surveyors under the instructions of Governor Bruce are busily engaged in running a line through the business and manufacturing center of the city for the St. Louis, Akron & Western.
